

# ALPS' 14

The 3rd Advance Lasers and  
Photon Sources 2014

## Call for Papers

22-25

**April 2014**

**Pacifico Yokohama  
Yokohama, Japan**

**Submission deadline: Friday, 31 Jan. 2014**

### SCOPE

The **ALPS** is intended to provide an international forum for the recent progress of lasers and photon sources covering the fundamental research to industrial application.

### TOPICS

- High average power lasers & applications
- High peak power lasers & applications
- High energy light sources & applications
- Nonlinear optics & applications
- Nano- and micro-optics & applications
- Optical devices and techniques  
for bio & medical applications

### COMMITTEE

General Chair:

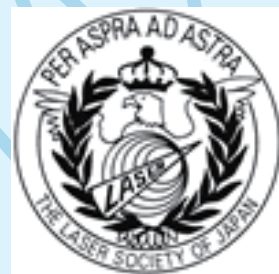

Fumihiko Kannari, *Keio Univ., Japan*

Program Chair:

Norihiko Nishizawa, *Nagoya Univ., Japan*

**Sponsored & organized by:**
